- Current Access into Kicks is by appointment only.
- All students must be booked in for their class/es through our Scheduling System. Do not turn up at Kicks if you are not scheduled onto a class.
- Access to the Dojo will be given no earlier than 5/10 Minutes before the time of your class. Please do not arrive at Kicks earlier than this.
- Please use hand sanitiser as soon as you enter the building, and again as you leave.
- We have one Entry / Exit Point at Kicks. To ensure social distancing - on entry you need to stay to the left, and as you leave you also stay to the left.
- All those aged eleven and over need to wear a mask entering/exiting Kicks. Except when training please wear your mask.
- Please come in clean training gear so that use of the Changing Rooms is avoided.
- Please bring your own Gloves/ Mitts / Protective Equipment.
- Please bring your own water bottle.
- All Training Cards to be currently left at Kicks to reduce contact.
- Please do not bring other belongings with you into Kicks.
- When you have finished your class please leave Kicks as quickly as possible. The next class will need to enter once you have left.

STUDENTS & PARENTS

- Please maintain social distancing whilst outside and inside Kicks. This is two metres wherever possible, at least one metre plus where not.
- Please do not congregate outside Kicks in groups of more than 6 or two households.
- Parents need to wait outside rather than in Kicks whilst training is going on. Please be both on time to drop your child/children off and on time to collect them.
- Please do not come to the gym if you have been contacted through track or trace as having contact with a confirmed COVID-19 Case.
- Please do not come into the gym if you or anyone in your household is unwell or shows COVID-19 Symptoms. These could be a cough and/or a temperature. It could also be loss of taste or smell. It could be a new rash or chilblain like symptoms on fingers and/or toes.

- Please do not come in the gym if you have travelled from overseas and are required to quarantine.
- “Catch it, Bin it”. Please follow good respiratory hygiene. This means covering your mouth with your bent elbow or tissue when you cough or sneeze.

ACTIVITY

- At this point lessons and one to one sessions are 30 minutes for Juniors and 45 Minutes for Adults.
- We will be maintaining distance during training except for the periods of training when we are using pads or sparring.
- Pad Holding and/or Sparring will be with one person only in a session.
- Pads to be sanitised upon point of change over between partners
- Guidelines encourage pad holders to wear visors or masks to reduce risk through droplet or aerosol transmission. Please respect the choice of your partner in this matter.

HYGIENE & CLEANING

- Enhanced cleaning procedures schedules are in place.
- All high contact touch points will be cleaned and disinfected between sessions.
- Cleaning of Mats and Floor will take place at the end of each day and spot cleaned during sessions if necessary.
- Anti – Bacterial Spray and Paper Towels will be available in each class to wipe down your area. Please Bin these after use.
- Good levels of ventilation and air flow will be maintained through training. Airvia Medical Air Purifier to be on during training when it is required for additional ventilation.
- Reception will be behind a screen.
- Always wash your hands if you use the toilet, and please inform reception if you are going upstairs.
- We have hand sanitiser at our point of entry / exit, and also in the dojo.
- Please sanitise your hands prior to training
- Please wash your training gear after each session. This includes wraps and your towel.
- Please sanitise your equipment before and after each training session.
- We are keeping 15 Minutes between classes to allow for cleaning, and to minimise queues.
- We currently have tape on our mats so that students can keep required distance apart during individual parts of their training.
- Instructors will remind students to remain distance in classes, and on leaving the Dojo.
- Please do not move around the Dojo unnecessarily, and respect distance with others in their spaces.

- All Instructions from Instructors will be vocal or visual.

OUTSIDE TRAINING

- This will be an organised activity and as such you are allowed to congregate in a group of larger than six.
- Outside of the session itself please keep to the rule of six or two households.
- We will mark out training squares for students in order to keep social distancing.
- Please bring your own hand sanitiser and wipes.
- Please sanitise your hands before and after training.
- Please sanitise equipment before and after training.
- If you have your own training pads please do bring these.
- When we use pads distancing will be reduced for the duration of the activity. Once this finishes please return to social distancing.
- Guidelines encourage pad holders to wear visors or masks to reduce risk through droplet or aerosol transmission. Please respect the choice of your partner in this matter.
- Keep your equipment and water with you close to your training area but placed safely so as not to cause an obstacle or obstruction.
- Be aware of your surroundings when moving, and that the ground will not be smooth and flat like gym mats. Please do check your area.
- If students do need to share transport to get to training, please use government guidelines in order to do this.
- Please wash your clothing after training including your wraps.
- Do not train if you are feeling unwell or have been in contact with someone who has tested positive for COVID-19 in the last 14 days.
